

SHOT IN THE LEG

Cornelius Hartog Receives a Painful Flesh Wound

WHILE HUNTING FOR RABBITS

The Flesh Was Torn From His Right Leg and the Member Horribly Mangled—Court News.

Sunday morning, while out rabbit hunting, Cornelius Hartog, a young man 19 years old, living with his parents at the corner of Gannison and Watson streets, received a painful and serious gunshot wound, from which he may lose his right leg. He and a companion, Will Kortzen, went out into Walker township about four miles and struck out in a grove in search of rabbits. About 8 o'clock Kortzen shot a rabbit, and while he was reloading the empty chamber of his gun Hartog and his dog went after the game. After the gun had been loaded Kortzen laid it down across a knoll so that the muzzle was considerably elevated and pointing in the direction of Hartog. When Hartog returned with the rabbit the gun was in some unaccountable manner discharged and the whole charge of shot hit him in the fleshy portion of his right leg midway between the knee and hip. Some of the blood vessels were punctured and the flesh was horribly lacerated and torn into shreds. The wound bled profusely and he was considerably weakened from the loss of blood. Kortzen ran to a farm house for assistance, and after the wound had been bound up to impede the flow of blood the injured man was brought to his home in a milk wagon. Dr. Haskins was called and succeeded in extracting a portion of the embedded shot. The wound was dressed and the young man was resting last night as easily as could be expected. The wound continued to bleed somewhat and the doctor is not sure whether the leg can be saved or not. The bone was not materially injured but the fleshy portion of the leg is badly torn.

Mr. Ramsey was thrown from the carriage and was seriously injured about the face and head and has not yet fully recovered. It is claimed the hole had been in the street for more than a week, that the proper city officials had been notified of the hole, and that it was owing to neglect that it was not repaired before the accident happened.

Abraham Lincoln

When leaving his home at Springfield Ill., to be inaugurated as president of the United States, made a farewell address to his old friends and neighbors, in which he said, "Neighbors, give your boys a chance."

These words come with as much force today as they did thirty years ago. How give them this chance? Up in the northwest is a great empire waiting for young and sturdy fellows to come and develop it and "grow up with the country." All over this broad land are the young fellows, the boys that Lincoln referred to, seeking to better their condition and get on in life.

Here is their chance.

The country referred to lies along the Northern Pacific railroad. Here you can find pretty much anything you want. In Minnesota, and in the Red River valley of North Dakota, the finest prairie lands fitted for wheat and grain, or as well for diversified farming. In Western North Dakota and Montana are stock ranges limitless in extent, clothed with the most nutritious of grasses.

If a fruit farming region is wanted, there is the whole state of Washington to select from.

As for scenic delights, the Northern Pacific railroad passes through a country unparalleled. In crossing the Rocky, Bitter Root and Cascade mountains the greatest scenery to be seen in the United States from car windows is found. The wonderful bad lands, wonderful in graceful form and glowing color, are a poem. Lakes Pend d'Oreille and Coeur d'Alene are alone worthy of a trans-continental trip, while they are the fishermen's Ultima Thule. The ride along Clark's Fork of the Columbia river is a delectable dream. To cap the climax, this is the only way to reach the far famed Yellowstone Park.

To reach and see all this the Northern Pacific railroad furnishes trains and service of unsurpassed excellence. The most approved and comfortable palace sleeping cars; the best dining cars that can be made; Pullman tourist cars good for both first and second class passengers; easy riding day coaches, with baggage, express and postal cars, all drawn by powerful Baldwin locomotives, make a train fit for royalty itself.

Those seeking for new homes should take this train and get right out the land. To be prepared, write to CHAS. F. FEE, G. P. & T. A., St. Paul, Minn.

Over twelve years I was afflicted with a very serious female difficulty and for the last sixteen months was under treatment of three of the very best physicians that money could employ. Under their skillful treatment I gradually grew worse, until they decided they could render me no permanent help. One of my friends persuaded me to try a bottle of Dulliam's Great German Uterine Tonic, and after taking three bottles, I can say I am in better health than I have been for twenty years, and am now 60 years old, but feel as young as at 30.
